

Purgatory Reign

Peter Saints life stinks. But things are about to get much worse. First, his parents are murdered in front of him. Then another victim dies in his arms. Visions plague Peter with warnings that something wants him for a sinister cause. It desires the one thing that Peter refuses to give his blood. Peter carries within him the one gift or curse that could unlock a secret to destroy the human race. On the run with Angel, a scruffy kid, Peter starts to unravel the mystery. It's the one treasure the heavens sought to hide from the world. Unfortunately, when Peter finds the answer that he hopes will save the girl he loves, he opens the door to a great evil that happens to be salivating to meet him.
