

The Golden Stairway: Seven Steps to Pyramid a \$495 Real Estate Investment Into \$50,000

Jack Haskell is the softest-spoken quietest land man you'll ever meet. Among real estate people, this quiet man is known as a crackerjack in the business. How has he developed his ideas into a plan available to any one interested in bettering himself - is a fascinating tale. You'll learn to take his Golden Stairway Formula - \$495.00 down and \$40.00 a month - and change your family's way of life. Jack Haskell is a man and he tells his story in a straight-shooting manner. It's the easiest reading real estate text you'll ever read. The Golden Stairway is worth the climb.
