That we could live a better life, earn more money, be happier than ever, have looks that could kill.. these are perhaps what each one of us wishes in the secret depths of our minds. What misses our conscious eye is that the force which drives all success in life is to be found only in our own brainpower, our minds mighty are capable of all we can imagine. Sadly, we too often fail to realize that our mind holds the key to unlocking all roadblocks to our personal success. Hypnosis can help you access your deeper power and unlock your potential! In the blink of an eye you can be well on your way to invoking your subconscious to create changes in your life that will stay with you for years to come. If you are new to hypnosis then this book will give you a firm understanding of what hypnosis is, and what it is not. If you already know a lot about hypnosis then this book will help you develop a deeper understanding, as it explains specific hypnosis concepts and strategies. In short, this text can be an information source, answering all your hypnosis questions. It can also be a handbook if you are considering trying hypnosis yourself, either as a hypnotist or hypnosis subject. Whichever side of the equation interests you, this book will tell you all that you want to know and answer questions that you had not even thought to ask. Within this book, I will: Reveal to you what hypnosis can, cant, should and shouldnt do. Tell you exactly what hypnosis is and also what it isnt. Take you into the wonderful, mystic world of the Ericksonian

style of hypnosis. Teach you how to hypnotize someone. Show you how to choose the right style of hypnosis. Show you the many ways in which hypnosis can help your subjects. Give you a storehouse of language styles, scripts, techniques and methods to use. Describe how you can use certain hypnosis techniques to create success in your daily life. How To Hypnotize Someone is a guide to understanding hypnosis for the novice hypnotist, would-be hypnotic subject, curiosity seeker and everyone in between! STILL INTERESTED?
