

Fragments: MY LIFE AND DEATH IN A CULT

Description Elisabeth's book is written to help those caught up in obsessive spiritual sects and guru movements. Recounting the extraordinary events of a long life filled with great joys and harrowing griefs, Elisabeth generously traces her soul journey of awakening for the benefit and inspiration of others. After describing her almost idyllic childhood, she covers the circumstances that led to marriage and - despite her best intentions towards her family - to permanent separation from husband and children, and virtual incarceration and domination within a religious cult. She relates how a virtually unknown James Bond figure snatched her away, and how they set up a new and happy life together before further vicissitude struck. Animating the whole is the spirit of her endearing personality and indomitable perseverance; a truly inspiring book. About the Author Elisabeth Fraser had a lengthy career as a sales manager, editor and author for Jarrold Publishing. She is author of *An Illustrated History of Scotland* (1997) and has edited a number of other titles. Elisabeth has been interested in spirituality for most of her life, and is now very involved in the Tibetan Buddhist field helping to promote talks and lectures from eminent Tibetan lamas and doctors in liaison with the monastery at Samye Ling. She is based in Edinburgh.
