

## Sweaters & Cigarettes

Theo cant stop looking at Max. With those black clothes and piercings, and that sarcastic charm thats enough to intimidate pretty much anyone, hes not exactly what you would call ordinary. Especially not when Theo is as ordinary as it gets, for a high schooler, along with all the insecurity and awkwardness that comes with it. Basically, Max is everything Theo is not, but no matter how hard Theo tries, he cant get him off his mind. Hes honestly crushing on him so hard, that its not even funny. Theo has never spoken to Max, has even tried to hate him, but when their paths actually cross, their first conversation takes a surprising turn. And before long, they both find themselves falling harder and faster than they ever could have anticipated. Sweaters & Cigarettes is a story about first love, first times, and all the sweet thrills that go along with it. (This book has some mature content)
