

Choose the Best House for You: The Feng Shui Checklist

This item has been replaced by the new title: FENG SHUI SECRETS: Improving Health, Wealth & Relationship Harmony (O) 9780974300849 Over 150 illustrated feng shui problems and solutions for evaluating a house you are buying, renting, or currently living in. A comprehensive collection of problems and solutions organized in a checklist format related to the property, house construction, and room configuration with special sections on the entrance, bedroom and childrens room. Each problem listed has a page number directing you to the description of the problem, seriousness, and suggested solutions. A great coffee table book for friends to browse as they look for solutions to feng shui problems they might have. Easy for the beginner, a resource for feng shui students, and a guidebook for house hunters, home builders, realtors and interior designers.
