

Thus Speaks Maitreya on Universalism (The Bahai Faith)

Humanity is at a critical point in history. There are rapid changes going on in all levels of human life socially, physically, intellectually, and spiritually. The old ways, the old systems, are no longer working, and we are getting closer and closer to real chaos and destruction. The Mission of Maitreya is offering a viable alternative to these old systems, given from the Most High (God), through Maitreya, His First Begotten Son (Messiah). This alternative involves creation of the Communities of Light with a system to connect these communities together. Through these communities His Kingdom will be established on earth as it is in Heaven. This is a book about the fifth step, universalism, and the Bahai Faith. It is a collection of quotes from Maitreyas writings and Satsangs (Discourses), and belongs to the Thus Speaks Maitreya series of books. Each book concentrates on one of the seven steps (seals) of the Eternal Divine Path.
