

Wake Up

What would your life look like if WORK wasn't a four-letter word? What if you could re-calibrate your mind to see what you do for a living - how you spend your life - as important, positive, exciting and FUN? This book, *Wake Up! Jumpstarting the Life You've Always Had in Mind*, is about making that leap-making a fundamental change in the way you envision your life. Discovering the way it could be. It's about fine-tuning the circuitry in your head, making the changes necessary to face the adversities and challenges of the everyday without being defeated by them. These pages are packed with ideas for both changing the way you think and the way you approach your life. A different attitude, a different approach for getting more of what you want out of your life. You can change and still be true to who you are. You can be different. Your life can be fun. You can love what you do. Your life can make a difference. Are you ready to Wake Up?
