

# Fashion Feng Shui: The Power of Dressing with Intention

Clothing, your bodys most intimate environment, influences your life as much as the Chinese philosophy of Feng Shui teaches that your home and business decors do. Evana Maggiores fascinating book introduces you to this transformational dressing technique that combines ancient wisdom and solid fashion and image advice. The 2014 edition includes a new foreword by world-renowned image professional and Fashion Feng Shui Master Trainer Sue Donnelly and a never-before-seen article and cutting-edge quiz by Evana Maggiore herself.
