

Do Not Die In The Middle Of Your Destiny

Disobedience to the word of God will cause spiritual paralysis and could lead to death in the middle of our destiny. Death was always lurking in the middle of the garden, but it had no sting, no power, unless Adam, through disobedience to God, empowered it. Every person has dreams, ambitions and goals. Most of the time our problem is not conceiving these thoughts, but making them happen and finally ticking them off as milestones reached. Whether it is our spiritual growth, our career path or our businesses, we have all started something with the intention to finish it. We however, often find ourselves losing fervour which results in us suspending our plans and dreams. The greatest threat for us when we attempt to embrace our destiny is procrastination. This book will help and encourage you to resolve unsettled issues in life that might be hindering you from achieving and experiencing all that you desire. We must not stop in the middle of our plans, goals and ambitions - we must finish it. Committing his life to the Lord completely transformed the authors life, and he has set out to help you to do the same.
