

## Mama Said, Get in the House : Embracing the Wisdom of Mama & God

The book that captures your attention with its cover will hold your attention with its chapters. Mama Said, Get in the House (Embracing the Wisdom of Mama & God) delivers a message of wisdom and hope through each inspirational page. Some chapters will make you laugh, others will make you cry but each chapter will make you remember the many things you heard Mama say. In chapter after chapter, one of Mamas principles is compared with the same principle in Christendom. You'll find, throughout each line unfolds an amazing woman's wisdom, that was simply wisdom from God. It's your Mama's story; It's my Mama's story; It's everybody's Mama story. And it is when you laugh out loud that you will have found your story in the pages and will have clearly given yourself away.
