

But What If Were Wrong?: One Evangelicals Take on the LGBTQ Issue

This booklet is one Evangelical Christians journey trying to answer the question, What if were wrong about the gay thing? The implications of this question have kept me up at night. With the church polarized on this issue, there is little room for dialogue. Im not a theologian but Ive been following Jesus for thirty seven and have spent most of those years in full-time ministry. I have seen firsthand His love of and commitment to the marginalized. This booklet follows my journey from being a board member of a local Exodus group, to an ally in the LGBTQ community.
