

## Bearing The Devils Mark

Bearing The Devils Mark is a bold and no-nonsense treatise on the subject of Satanism -- not from the perverse pen of bitter and jealous Christians or even their pagan counterparts, but straight from the Satanic perspective itself! Through both personal observation and established fact, Bearing The Devils Mark taps into the vein of the worlds most feared religion and presents its undiluted insight on the human condition. Sex, love, politics, technology, the God religions, and more -- all brought to you by someone with over 25 years of actively living the Satanic philosophy. Matt G. Paradise is Executive Director of Purging Talon, a Satanic media company responsible for releasing groundbreaking and often imitated audio, video, print, and Web work since 1993. Paradise is also a Magister in the Church of Satan and, since the early-1990s, has also done media representative work for the CoS through all major media forms -- network television, radio, print publications, and the Internet.
