

Pen copybook Chinese classics series: Tao Te Ching (regular script)(Chinese Edition)

Paperback. Pub Date: 2015-10-01 Pages: 46 Language: Chinese Publisher: Hubei Fine Arts Publishing House of human communication relies on two expressions, namely oral and written expression. Material life and spiritual life in today's highly developed, interpersonal and more frequent exchanges can write beautiful calligraphy has become a very important communicative competence. Pen calligraphy is a practical art. Learning hard pen calligraphy, it is one way to improve the overall quality of the majority of students (attention, patience, toughness, aesthetic force, etc.). For primary and secondary students, the writing is good or bad will affect their grades, entrance exams after graduation candidates and so on. After this in mind, the Ministry of Education by the end of 2002 will write into the formal education curriculum this year, the Ministry of Education responsible perso...
